EDUCATION

M. Sc. Computer Science | Queen Mary University of London (Sept. 2020 – Oct. 2022)

Awarded **MSc with Distinction** for a 2-year part-time Computer Science postgraduate degree. Studied Functional Programming, Interactive System Design, Mobile Services and Design for Human Interaction.

B. Eng. Software Engineering | University of Westminster (Sept. 2016 – July 2020)

Awarded **First Class Honours** for a 4-year Software Engineering undergraduate degree offered by the University of Westminster, UK.

ACTIVITIES

Developer | first-born (2019)

A React Native UI framework consisting of inbuilt components developed using Atomic design, with over 2000 downloads and 200 stars on GitHub. This highly customizable library allows UI components to render according to the underlying platform, following platform UX guidelines and reducing the work of front-end developers.

Technology: React Native, Jest, ESLint.
